## Internships

- **WEB DEVELOPMENT(junior)**  
Really Great Company | web developer Intern  
Accent soft solutions , coimbatore  
july 2022- aug 2022  
In the internship they made us learn what is what and assaigned day to day duties which is a good experience. I have worked on the front end of that project using html, css, js as my role in it.

Key responsibilities:

- To create the web pages using html and decorating them with css.
- giving them behavior with js and checking the errors

## Projects

- **ONLINE ORGAN DONATION MANAGEMENT SYSTEM**  
Domain: web development  
Its a great experience to being a part of this wonderful project me and our team mates had done great job. I have worked on the front end of this project deals with html, css, js .and we used php and my sql for the back end aswell,
